

PLAY SCHEME TRIP TO THAMES VALLEY ADVENTURE PLAY GROUND.

During the Easter 'Adventure' themed play scheme, 40 children joined BPA staff on the trip to Thames Valley Adventure Play Ground.

The outing was a great success and fun was had by all, with attendees making the most of the facilities at the all-inclusive play centre. Activities included an indoor soft play area, themed outdoor playground, go carts and tricycles, crazy golf, art, craft and music activities, as well as access to the sensory room.

The trip also enabled all the children for Let's Play Together to interact and make new friends with others from different play groups or settings that visited the Centre on the same day.

The play scheme that week was made even better on the Friday, as all the children who attended that day received a chocolate egg. 50 eggs were donated to BPA from the Mix 96 Easter Egg Appeal.

BPA would like to thank Thames Valley Adventure Play Ground for accommodating the children, Heyfordian Travel and Booker Park School for providing transport, and AVDC, Aylesbury Town Council, Rectory Homes and the Big Lottery for funding the play scheme. We would also like to thank Mix 96 for organising the Easter Egg Appeal and all the kind listeners of the station that donated chocolate eggs.

Bookings are now being taken for May/June Half Term's 'Party' play scheme where balloon modelling sessions are planned with the Party Poppers. For more details please visit our website www.bucksplay.co.uk or call 01296 745827.
