

COLONEL CUSTARD ENCHANTS CHILDREN AT THE LPT PLAY SCHEME.

The children and staff of Bucks Play Association were dazzled by the jaw dropping interactive magic show performed by local children's entertainer Colonel Custard.

During the 'Enchanted' themed Let's Play Together play scheme at February half term, over 40 children were treated to a variety of tricks and illusions including producing a rabbit from an empty box, plate spinning, disappearing Barbie dolls and a magic version of Blind Date.

The hour long show held the attention of children aged 5 – 12 years of mixed abilities, including those from main stream schools and those with Special Educational Needs.

The 3 day play scheme also included activities such as making enchanted toad stalls through junk modelling, designing badges, a bouncy castle and outdoor games.

Bookings are now being taken for Play Schemes running over both weeks of the Easter Holiday that are themed 'Adventure', including a trip to Thames Valley Adventure Play Ground, and 'Animal Kingdom' that includes a presentation from Animal Man.
