

MULTI SPORTS COURSE VISIT TO READING FOOTBALL CLUB.

The children that attended the February half term BPA Multi Sports Course at Fairford Leys were treated to a full behind the scenes stadium tour of the home of Reading Football Club and Rugby Union's London Irish, at the Madejski Stadium.

On Friday 16th February, 25 excited children and their parents along with BPA staff travelled by coach to Berkshire for 5 a side football matches on a state of the art 3G training pitch, before moving on to the stadium for a behind the scenes tour.

The tour included visiting the press room, a look in the dressing rooms, lining up in the players tunnel and standing pitch side in front of the manager's dug out.

The day was enjoyed by all and finished with a stop at the Stadium Mega Store where everyone was given the opportunity to purchase memorabilia from the day.

BPA would like to thank Aylesbury Town Council for part funding the trip and Reading Community Trust for a fantastic day.

Bookings are now being taken for our 1 day Multi Sports course on Friday 6th April.
